MEMORANDUM FOR: Members DCI Foreign Language Committee

FROM:

Chairman

STAT

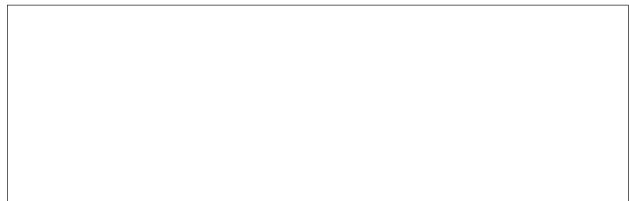

SUBJECT: Career Language Task Force

1. As part of the effort to become more actively involved in pursuing a number of language-related issues, the Foreign Language Committee has established, along with the working groups, a Language Career Task Force. This task force will be studying problems and questions related specifically to language as a career field. It will also be making recommendations on how the field can be improved.

2. I ask that you appoint a representative from your agency to serve as a member of the Linguist Task Force. Preferably, the individual should have experience as a working linguist and should be well acquainted with the language career field at your organization. Please pass the name of your representative to NSA/G, (688-7902), who will be serving as the chairman of the task force. It is anticipated that the meetings will be held monthly.
